The film is about a young man, Mahendra Pandey who is a student from Lucknow. He gets his dream car from the car's owner Mihir Kumar Srivastava, which is a Mercedes Benz GLK 350 CDI. He buys the car with his scholarship money and goes to Lucknow for study. There he meets Shruti a beautiful girl in a bar and after going to her place, they become good friends. She gives him an application form for admission in Lucknow University and he claims getting admission in two different colleges without knowing that the applicants are one person whose application forms were filled by Shruti herself. Meanwhile, Mihir's daughter, Seema gets attracted to Mahendra while he is struggling with the problems of the interview. Later while walking to his hostel, Mahendra gets himself drowned in the rain. Fortunately Shruti saves him and he writes a song for her which makes her fall in love with him. On seeing this Seema also falls in love with him and proposes to him. There are 9 songs in the film "Laag Chunari Mein Daag" -
